## AWARENESS ON PERSONAL HYGIENE

17<sup>th</sup>, JUNE 2022.

A short awareness session on the personal hygiene was conducted in our college on Friday, 17th June 2022. Dr. Namrata gave a short Power Point Presentation on Personal hygiene. Different pictures were used to make the presentation more vital and appealing. Other faculty members and students participated in the program with lots of enthusiasm.

The main motive of personal hygiene was to maintain a good health and a better personality in the society. Personal hygiene can reduce a risk of many social, mental and health problems. It is as simple as hand washing which can reduce the plethora of illness, infections, and disorders. In a social situation a clean and tidy appearance can boost one's confidence and reflects a positive image. Mam also told some basic manners such as clean your teeth twice a day, wash your hand before having a lunch or dinner and also you should clean your private parts. A short activity on proper hand washing was also conducted during session where the participants were asked to repeat the six steps of proper hand washing acknowledged.

The workshop was ended with question answers. The facilitator hopes that after this session all the attendees will know the correct methods of hand washing.

## World Environment Day

6th June 2022

On 6th June 2022 we celebrated World Environment Day in our college. Our college organized a program to celebrate Environmental Day. The principal, teaching & non-teaching faculty members and all the students participated in the program with lots of enthusiasm.

The main motive of celebrating World Environment Day was to create awareness among people about environmental crisis such as global warming, pollution, waste segregation and deforestation. It is the basic responsibility of every citizen to plant trees and nurture our mother Earth.

The program commenced at 9:00 am in the morning. All students were bifurcated in groups. Some groups participated in making Rangoli, some in environmental projects, some groups in poster and Slogan making from 9:00 to 11:00 am. The students made all the preparations that was required for the Commencement of program. So, at around 11:00 am the program started.

At 11:00 am all students, Teachers and Principal Sir started Tree plantation event. All students started planting and Teachers guided them in this regard. After plantation at around 12:15 we started cleaning our campus and surrounding areas. After cleaning we had a lunch break at 2:00 pm the program was resumed. Some group of students presented poems, dance and dramas regarding importance of environmental day. Our Principal Sir shared some of his kind words with us and motivated us to nurture and embrace our nature.

So the environment day celebration concluded in a grand success under the supervision of faculty members.
