INTERNATIONAL STUDENT CELL (ISC)

The International Student Cell (ISC) of our Homoeopathic college is dedicated to providing support and resources to international students. We are professionals in the field of Homoeopathy for the past 32 years, creating eminent Homoeopaths and at par curbing with the health issues of the society.

Our goal is to help international students succeed in their studies and make the most of their time at our college. We intend to engage ourselves in the students foreign exchange programme, collaborate with "Universities where Homoeopathy is yet to set it reigns."

If you are an International student please do not hesitate to contact the ISC for assistance. We provide the following services:-

1) Visa and Immigration assistance:-

The ISC can help you with the visa application process, answer your questions about immigration regulations, and provide you with information about living and studying. in India

2) Academic Advising and Support:-

ISC can help you with your academic planning, under the undergraduate (BHMS 5_{1/2}) course designed by NCH conducted by MUHS in our institute.

3) Clinical Skill :-

Under the programme a 1 year rotational internship is provided in Multi-Speciality hospitals; exposing the students in clinical skills.

4) Orientation and cultural acclimation programme-

The ISC offers orientation programme for new international students that cover topics such as college academic policies, the Indian culture and how to get around the city.

The ISC also hosts culture events and activities throughout the year to help international students learn about Indian culture and make friends.

5) English language tutoring :-

The ISC offers English language tutoring to help international students improve their English skills.

6) Social and cultural activities :-

The ISC hosts social and cultural activities for international students, such as potluck dinners, Indian movies, field trips.

The ISC is committed to helping international students succeed at our Homoeopathic College. If you are an international student, please do not hesitate to contact the ISC for assistance.
